Eliminate Fundraiser

May 1st - May 5th

The Eliminate Project is one of Key Club's focuses as an international organization. The project serves to collect donations for the ending of maternal and neonatal tetanus on a global scale. Key Club raises donations by partnering with UNICEF and the Kiwanis Family, and then asking for donations in events like this fundraiser.

Maternal and neonatal tetanus (MNT) are diseases that cause excruciating pain and suffering to pregnant mothers and newborn children. However, Key Club continues to raise money to end MNT! Through our fundraising, Key Club has raised over \$110 million US dollars for MNT.

DCON Recap

Mar. 30th - Apr. 2nd

DCON 2017 has come and gone, but the memories will be eternal. At DCON, AHS Key Club was able to learn and incorporate what was learned into the new changes of the year. The list below refers to all of the new district board. If anyone is interested in learning about the positions, then please ask any of the officers or the 14C LTG, Gustavo Fernandez.

List of 2017-2018 District Board

Governor: Felante Charlemagne
Treasurer: Angel Aguilar
Secretary: Josh Gibson
Webmaster: Dominic Martinez
Editor: Lamiya Kudrati
Executive Asst.: Jessica Mendoza
DCON Chair: Rebecca Yap

BOOKMARK IT

Be sure to keep yourself updated on all changes for the 2017-2018 Key Club year that become effective in May!

The newly elected FLKC District Governor, Felante, decided that this year's Key Club Governor's Project would be HEALTH. HEALTH is an acronym that stands for several issues such as hunger that Key Clubs from all around the state will focus their service towards. The acronym and the respective focuses are displayed to the right.

 **Hunger (and Thirst)**

 **E**nvironmental **A**ction

 **L**ess-fortunate
