DCON Rewind April 5th-8th

Last month, some key members of our club went to the District Education and Leadership Conference (DCON). Every year Key Clubs from around Florida and the Cayman Islands go to DCON to learn at workshops, gain inspiration from other Key Clubs, and win awards on a district-wide level. All of the awards that Armwood Key Club won are listed in the Awards Summary below.

Inductions and Senior Sendoff April 24th

We are so excited to see all of our newly inducted members serve throughout this service year! Every single one of you is capable of great things, especially in Key Club. If you ever need any assistance, please reach out to the officers.

Seniors, you have served your home, school, and community so much during your Key Club journey. We hope that you continue satisfying your passions for service and the Kiwanis Family as you grow up in this crazy world. Some of you have been dedicated members since your first day in high school. We cannot and will not stop following in your mighty mighty footsteps! Thank you for every that you have done.
