Cancer Walk

We all walked with the cancer survivors in spirit while we served at the Cancer Walk at Amalie Arena. One day, no one will have to live in fear of cancer. However, today we help the cancer survivors and cancer fighters walk through life. In other news, we are proud of our very own Elizabeth Temple as she led her fellow Key Clubbers in this event.

We offer our greatest condolences to anyone who lost their battle against cancer. We hope, one day, cancer will be something we only talk about in history books.
