

Paul Sanders Summer Meeting

June 30th, 2018

Armwood Key Club met during the summer at Paul Sanders Park. This year's park had much more litter to clean up than Lakewood Park last year. In addition to cleaning up, we bonded over a fun frozen T-shirt competition. The winners picture is featured under the calendar.

New Key clubbers and veterans alike were able to work together in order to establish strong bonds before school starts. Also, our local Kiwanian, Mr. Jim Powell, was able to join in on the fun. We cannot wait to see what the new class of 2022 has to offer Armwood Key Club!

Here are some more amazing pictures from the Summer Meeting!

We hope to see as many Key Clubbers as possible at future meetings, and we hope everyone has an amazing summer. Don't stop volunteering!
